7-FEB 1918

Summary of discussion.—Mysore is a Kannada country and Judges and Magistrates up to the Sessions Court are Indians conversant with Kannada. Depositions taken in Kannada will save much time and have the force of evidence recorded as given by witnesses. Orders may be passed that depositions should invariably be taken in Kannada and not in English.

Reply of Government.—Will be considered.

Submitted for orders with ets 223-14-1

The question was discussed at great length in the above file. It appeared, the members were of opinion that the orders in that file with the observation that Govt do not see any good reasons to alter the existing system.
